

RED HOOK FIRE COMPANY, INC.

Community Room

FAQs

- The room is located on grade level and is handicapped accessible.
- There are 41 available parking spaces, two of which are designated handicapped.
 - » Overflow parking for over a dozen cars is available on the street.
 - » There are 3 spaces around the back of the building reserved for members only.
 - » There is NO PARKING in front of the large overhead garage doors where fire trucks exit the building or in any area designated a No Parking Zone.
- The room measures roughly 50 feet by 60 feet with 10-foot ceilings.
- We have (25) 66" diameter round tables and over 200 folding chairs. Each table comfortably seats eight people.
- We have (3) 95" long serving tables.
- We have 8 zones of lights in the room, many of which are equipped with dimmer switches.
- Both the men's and women's bathrooms are handicap accessible.
- We do not provide linens, plates, cutlery, cooking tools, pots & pans, Sterno trays or warming dishes.
- We do not allow scotch tape to be used to decorate the room. Contact Strips or painters tape should be used and carefully removed to avoid tearing paint off of the wall or any other surface.
- This is a no smoking / no vaping facility.
- No animals are permitted unless approved by the Red Hook Fire Company.
- No inflatable amusements such as a bounce house are permitted.
